# about DAWG WORKS

This fifth volume of the collected original compositions of David "Dawg" Grisman is comprised of works written between 2000 and 2006, compiled chronologically in the order in which they were written. These performances were selected by the composer and include six previously unissued tracks featuring David with Danny Barnes, Sam Bush, Vassar Clements, Tommy Emmanuel and many others.

All the tracks have been re-mastered in the high-definition (24 bit, 96 khz) format, affording listeners the unique opportunity to enjoy this music in a sonically superior format.
