Recorded Live at the Unitarian Universalist Church, Palo Alto, California - 1/28/00

This was an exciting night, the first time the three of us had been on stage together. It seemed that any song we called out, the band could play! I'm glad it was caught on tape!

— Del McCoury

As I listen to this show we did for the Redwood Bluegrass Associates in January, 2000, it brings back memories of the Del McCoury Band. At this point we'd had the lineup with Mike and Jason for eight years. We were really cookin' and tight! It was a wonderful time in my life because I was getting to hang and play with my hero, David Grisman, quite often back then. I cherished every time we got together.

This is a great example of when the DMB and the Dawg got to share the stage, with a bonus of Peter Rowan showing up this night. It was one of those moments that happened just once in a while and luckily was captured. I'm having a great time "playing off" the Dawg, and Dad and Peter are singing so good together. I believe you can hear how much fun, love and respect we all have for each other on this recording of a night that made for some great musical memories.

— Ronnie McCoury

Wow! It's really hard to believe that we played this recorded show in the year 2000! It seems like only yesterday, but I guess that's the way memorable moments are.

What a great night! We've been blessed as a band to have had some great shows. This one was epic — getting to play with heroes like "Uncle" Dawg and Peter Rowan! What a night!

— Rob McCoury

This monaural recording was made with one Audio Technica 4033 microphone, so essentially, the musicians mixed themselves.
