## *The Man with the Mandolin* — Volume 2

The music on this second volume of recordings by mandolin genius Dave Apollon was originally released on three Coral LPs, *Mandolins! Mandolins!* (1960), *The Magic of the Mandolin* (1963) and *Travelin' Mandolin* (1965).

These performances capture Dave in all his technical and emotional brilliance with colorful orchestrations featuring his mandolin ensemble with accompanying guitars, marimba, accordion, bass and percussion on the first two, and electric bass, keyboards, saxophone and drums on his final recording. A biography of Dave Apollon can be found in the pdf booklet accompanying Volume 1.
