EPISODE 44: The Gasoline Brothers & The New Smokey Grass Boys

Dawg & Danny discuss two Acoustic Oasis releases featuring guitar legend Tony Rice and David Grisman playing traditional bluegrass in the 1970s. The Gasoline Brothers showcases living room recordings of Tony's stellar guitar & vocals with David's mandolin, accompanied by bassist Todd Phillips and banjoist extraordinaire Steve Arkin, as well as tracks with Todd, banjo legend Bill Keith and fiddler Richard Greene, recorded in Japan. The New Smokey Grass Boys is a living room session of red-hot bluegrass instrumentals by Dawg & 'T' with Todd Phillips (bass), Darol Anger (fiddle) and Robert Bowden (banjo).
